Sunday, June 20 9:00 a.m. Pot luck breakfast 10:00 a.m. Folk music--Mac Robertson

Mac Robertson's program on June 20 will present folk songs that address contemporary spiritual issues. The songs range from traditional spirituals to popular radio hits_including several familiar songs of social commentary from the '60's. There will be opportunities to sing, and comments by Mac between songs may prompt some interesting discussions.
