Words of Welcome from Prairie Community:

Welcome to Oliver!

*We want to be part of your world,
responsible for guarding your life,
your freedom and your opportunities.*

*Today we also think of the other children of your generation,
whose welfare is inseparable from your own.*

*May we make the world more just and peaceful for you
and for all those whose lives are to be linked with yours.*

*On this day of great joy and promise,
we dedicate ourselves to you and to all children everywhere.*
