Unitarian Universalism Principles (What we believe)

- Each and every person is important.
- All people should be treated fairly.
- Our church is a place where all people are accepted and where we keep on learning together.
- Each person must be free to search for what is true and right in life.
- We each should have a vote about the things that concern us.
- Work for a peaceful, fair and free world.
- Care for our planet Earth.
