Announcements

Green Note: It was the largest demonstration in human history. More than 20 million people participated. It was the birth of the modern environmentalist movement, and pressured Congress into forming a new organization, the EPA. What was this event? The first Earth Day, April 22, 1970. For tips on how to make every day Earth Day, visit the Environmental Education for Kids website at <u>http://1.usa.gov/HWdrsS</u>.

When Midvale Lutheran hosts homeless families in **the Interfaith Hospitality Network**, Prairie's task as a "buddy" church is to provide some volunteers. The next time Midvale Lutheran is hosting is the week beginning May 6. Please consider helping Madison area homeless families in this way. You can call Erin Bosch for more information about IHN (238-6285), or... you can go to this link for an explanation of the volunteer jobs: <u>http://midvalelutheran.org/ihnjobs.htm</u> and you can sign up to help at this link:

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
