Green Note: Don't litter. Trash tossed carelessly outside often washes into storm drains, which empty into rivers and streams that eventually flow to the oceans. Pollution is a growing problem for all the Earth's ocean and its wildlife. (kids.nationalgeographic.com)

Prairie UU Society Bond of Union

We, the members of Prairie, wish to associate ourselves together in a religious community which affirms that we share a common humanity, that we need one another, and that our futures are inescapably bound together. Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.
