Together we would expand our intellectual horizons, enrich our sensory experiences, and deepen our emotional sensitivities. We would sharpen our ethical awareness and broaden our sense of social responsibility. We would stand tall in our quest for integrity of life, yet not at others' expense. As the prairie stretches out until it becomes one with the sky, let us reach out to touch and be one with the natural world, and with one another.</p>

## Upcoming Events

### **Monday Prairie Study Group 7pm (2nd & 4th Mondays)**

Tonight we continue our discussion of the 2021 UU Common Read "Breathe - A Letter to My Sons by Imani Perry. Breathe reflects on race, racism, and the hope that one's child will be wholly known and valued by society. It is "an unforgettable lesson in Black resistance and resilience." The New York Times calls Breathe "an elixir of history, ancestry and compassion, which, together, become instruction...a parent's unflinching demand, born of inherited trauma and love, for her children's right simply to be possible."
