Chalice Lighting by Rev. Jone Johnson Lewis

As we light our candles this week, we imagine the lights that shine within each of us. We each have intention, we each have experience, we each have thoughts, we each have feelings, and we each have wisdom. May these candles remind us to be in touch with those best and most unique lights of our own being, and to bring them into this room today and into all that we do in the world.

Announcements

For the first quarter of 2023, Prairie will share its offertory collection with JustDane, which runs Healing House, a place where homeless families can stay while a family member recovers from surgery. JustDane also helps people returning to the community from prison with problems like finding housing, a difficult task for anyone with a record. And this is only part of what JustDane does. Thank you for supporting the important work of this agency!

Parent/Caregiver Group Meeting Today after the Service

The whole group (children, parents/caregivers, and childcare volunteers) will start out the afternoon together for lunch. Cheese pizza will be provided and everyone is encouraged to bring a salad/side or dessert to share.

After lunch the parents and caregivers will remain in the

Meeting Room for conversation and fellowship while the children and childcare volunteers will enjoy activities in the RE space or outside (if weather permits).

Service: Sunday, February 5, 10:00 a.m. "Lucy Stone: An American Original" by Robin Proud (she/her)

Lucy Stone refused to accept any hierarchy of race, class or gender. She also rejected long-time traditions of marriage, occupations, and dress. She was extremely well known at the time but received short shrift in Susan B. Anthony's history of suffrage because of a schism in the movement. Many of us know her name but little else about her extraordinary life.
